Our Mission

The Mission of the Norwalk Symphony Orchestra is to share the beauty and power of orchestral music with audiences of all ages through live performances and music education programs

Why Sponsor

The Norwalk Symphony Orchestra is a significant cultural organization showcasing professional musicians from our wider community which has enhanced the quality of life in Southwestern Connecticut for over eighty years. Sponsoring the Norwalk Symphony associates your business with the artistic standards of excellence that our audiences have praised as “New York quality, local proximity.”

Your sponsorship investment aligns your business to the people of Fairfield County and is a clear communication that you are committed and honored to be a supporter of one of our region's leading and highly visible arts and cultural organizations. Sponsorship supports our Mission in the following ways:

- Presents six major concerts each season, with repertoire ranging from traditional symphonic music to Pops, Broadway, opera & more;
- Supports education through our (Not) Just for Kids program, Master Class program, and the Young Artist Concerto Competition; and
- Develops collaborative programs with other nonprofits to reach our underserved community population.

Our inspirational 2023-2024 season features music from American Composers, a Night in Vienna, the music of Shakespeare's plays, The Music Man: In Concert, Holiday Pops and Mahler's Symphony No.3, all presented at the Norwalk Concert Hall — a world class acoustical setting.

2023-2024 Season Sponsorship Opportunities

A night at the Symphony for your employees or entertainment for your clients is an investment which generates a measurable return for our community and your company
