Join us in celebrating one of Fairfield County's most beloved cultural institutions.

Our Mission

The Mission of the Norwalk Symphony Orchestra is to share the beauty and power of orchestral music with audiences of all ages through live performances and music education programs.

The Event

The Norwalk Symphony invites you to an evening filled with music and merriment as we celebrate our rich history. Symphony and student musicians will entertain during the evening as we honor Christopher D. Bell with the Forte Award for his ten years as Board President.

This event acknowledges the Symphony's many years of bringing music to Norwalk and the Southwestern Connecticut community. Your participation supports the two pillars of our mission: to present live music performances and music education programs, while also building our future.

Thank you for your support!

Our History

The Norwalk Symphony Orchestra has been a vital part of the fabric of the communities it serves. It continues to enrich audiences with cultural experiences through live performances, pre-concert discussions and educational activities for all ages.

Since its inception in 1939, the orchestra has been led by seven conductors, including Pulitzer Prize-winning Quinto Maganini; has hosted talented greats such as Itzhak Perlman, Yo-Yo Ma, Emanuel Ax and Midori; formed the Norwalk Youth Symphony in 1956 to support younger musicians from surrounding communities; and hosted a Young Artists Festival and Concerto Competition for the past eleven years. Offering performances in the Norwalk Concert Hall with its world-class acoustics that encompass traditional classical repertoire, Broadway, opera and the holiday season, the Symphony has music to inspire everyone.
